CALENDAR: 2018

75 Great Pond Road
Simsbury,CT 06070

Land Class Descriptions (held in the Hartford Room in the Burkholder

- Steady and Fit class is designed to improve balance through seated and standing strengthening and flexibility exercises.
- SilverSneakers Classic: Move to music through a variety of seated and standing exercises designed to increase overall strength and range of movement.
- SilverSneakers Yoga: move your whole body through a series of seated and standing yoga poses. Designed to increase flexibility, balance and range of movement. Restorative breathing exercises and final relaxation promotes stress reduction and mental clarity.
- SilverSneakers Circuit: Combine upper body strength work with low impact aerobic exercise to increase endurance. Chair used only for standing support, stretching and relaxation. You must be able to be moving on your feet for at least 30 minutes.

Aquatic Class Descriptions

- Arthritis Aquatic : This exercise program is designed to develop flexibility and strength as well as functional endurance.
- Cardio-Fit: A total body workout to increase cardiovascular endurance. Resistive equipment is used for upper body strengthening
- Cardio-Wellness: A moderate cardiovascular program. Participants should be comfortable with jogging and moving in the water.
- Cardio-Blast: A moderate to advanced cardiovascular workout and will include a variety of fitness equipment use. Tuesdays only.
- Hydro Fitness: This high intensity class with an aerobic segment and muscle endurance. Equipment is used to intensify the workout.
- Water Toning: A low intensity class designed for toning and conditioning of major muscle groups, with a small endurance component.
