

May 30, 2023

Dear McLean Health Center Families, Employees, and Residents,

Per a continued CMS requirement, we are writing to keep you informed on our current COVID-19 status. We have one employee who works in skilled nursing and they have tested positive for COVID-19. Contact tracing has been completed and based on the lookback period, there was no exposure to the health center. We will no longer be including cumulative data, unless there is a need or requirement in the future.
