Two distinctive neighborhoods provide all the comforts of home...

The Robinson

Our individualized approach to assisted living encourages maximum independence. Robinson residents enjoy a robust, seven-days-a-week calendar of social activities and events within a warm and vibrant neighborhood setting, where friends become family. Our staff understands that McLean is not just where you live, it is *home*.

Located on the first floor of the Health Center, The Robinson is a beautifully decorated space, featuring a gracious living room with fireplace and café for beverages and snacks, wellness activity space, media nook, patio and raised garden area. Suites are available.

The Atwater

People with mild-to-moderate Alzheimer's disease and other related dementias deserve an enriching and fulfilling lifestyle. Our person-centered memory care is provided by specially trained staff who understand the importance of choice and independence. Our memory care program is supported by meaningful programs and dedicated volunteers with a focus on personalized attention and care.

The Atwater is a renovated, cheerful, secured neighborhood located on the second floor of the Health Center. The Atwater offers a comfortable dining room with family-style kitchen, cozy common rooms for structured activities and socializing, and lovely garden views. Suites are available.
