

ATTENTION!

Due to the increase in illnesses we are encouraging residents to attend programs on their own neighborhoods and encourage masking and social distancing to keep each other healthy and safe.

Thank you!

with any questions!*

Big Eyes (2014) is an American biographical drama film starring Amy Adams and Christoph Waltz. It is about the relationship between American artist Margaret Keane and her second husband, Walter Keane, who, in the 1950s and 1960s, took credit for Margaret's phenomenally popular paintings of people with big eyes.
